  - Ten round tables and chairs
  - Three long tables
  - Two generators for power

- Chris bought tablecloths at Job Lot
- Everyone on the committee will bring some sort of refreshment (juice boxes, waters, fruit salad, brownies, cookies, etc). Please let Chris know what you plan on bringing.
- We also need people to volunteer to bring extra trashcans and bags (Mark D has some extra), coolers, ice and **we are looking for extra tents/awnings for shade.**
- Rick Dunham has a friend who will DJ for us – he can play the whole party and we can have Mike do one show (45 minutes) at about 2 p.m.
- We need people to bring over small kiddie pools for the babies (Chris has one).
- Instead of a softball game it was suggested a waffle ball game would be safer
