

**Activities Meeting Minutes**  
**April 3, 2006**

**Those present:** Chris Fleming, Amanda Pulsifer, Chrissie White, Michelle Blake, Liz Radzik, Rae-Ann DiNino and Maura Glushik

**Welcome Package for New Neighbors:**

- It was decided that we would make up baskets with the new directory, a "Welcome to Millbrook" flyer and a batch of homemade brownies, cookies or bread. It was also suggested we add in some local take-out menus.
- We brainstormed ideas for the flyer and Chris will work on a draft and send out for approval.
- We will look at Christmas Tree Shop the next time we are there to pick up a few baskets.
- One or two of us will volunteer to bring over the basket and welcome new families as they move into Millbrook.
- We also talked about creating a "welcome basket" for new babies in the neighborhood and will keep that in our radar as we move forward.

**Directory:**

- All the forms have been received. We have about 80 people total. Chris (and a few others) will start data entry and we will work on the layout and design once that is complete.
- We need to figure out where we will have them printed and get a quote once the design is finished.

**Summer Block Party:**

- The Summerfest in the Park will be held on Saturday, July 15 starting at about 1:30 p.m.
- The rain date will be Sunday, July 16.
- We sent out blast email to "Save the Date" and ask for help/ideas/etc
- We have called Country Rentals to begin reserving items that might need to be reserved early.
- Steve Murphy suggested a 12 and over softball game - GREAT IDEA!

**Other business:**

- Chrissie has been coordinating the weekly playgroup and that has been going very well. They had a very large turnout this week at the park!
- Kerri held our first Mom's Night Out at the Abington Ale House on March 25. Several people had to cancel at the last minute but she plans to do another one for May/June when the weather is nicer and we can be outside.

The next meeting will be announced shortly!
