We reviewed our 2005 accomplishments:

- Held first meeting in September of 2005
- Created a 13-person strong committee
- Drafted and distributed interest flyer
- Created online poll for interests
- Created Activities page on Millbrook website (with help of Bob Conley)
- Drafted and distributed Holiday Stroll invite
- Held the first annual Holiday Stroll on December 10 – over 120 children attended
- Held first three playgroups in January
- Scheduled first Mom's Night out but had to be postponed since the organization we were shopping for never provided us with the lists
- Publicized a Poker Night for anyone interested (contact Paul Sobol)

We discussed our goals for 2006:

- Hold the Holiday Stroll again in December
- Continue playgroups (organized by Chrissie White)
- Publicize Men's Poker Night (organized by Paul Sobol)
- Organize a Mom's Night Out soon (winter is a good time of year – ask Kerri)
- Hold a summer block party at the park – send email and ask people to vote between Saturday July 15 (rain date July 16) or Saturday August 12 (rain date August 13).
- Create Welcome Package for New Millbrook residents:
 - Create a new Millbrook Directory to be distributed to all Millbrook residents
 - Create a one-page flyer to be delivered to new neighbors with Millbrook Directory with useful Rockland/Millbrook information
- Possibly organize a neighborhood yard sale in the fall
- Organize a walking club

Next Steps:

- Create flyer for new neighbors
- Print copies of directory flyer to be delivered to every mailbox and designate a drop off spot – or have them send the info via email
- Create an online poll to get input about the best date for summer block party
- Update webpage to reflect new events
- Send blast email to everyone about what we are doing
